

Directions:

**From Masterton**, head north on Opaki Rd (SH 2), turn right at the Mauriceville sign (about 7 km north of Masterton - Kaipororo Rd), then take the first right - this is Bluff Rangitumau Rd, follow the road round the bluff and back onto the flat, - we are about 1.5 km past the single lane bridge, at number 365 (on the left - formerly 9D, both numbers are on the letterbox).

**Alternatively, from the South**, you can take the Heavy Traffic Bypass, turn right into Loop Line (at the Mauriceville sign), drive to the end and turn left into SH2, then next right into Kaipororo Rd, (also signposted Mauriceville), then right into Bluff-Rangitumau Rd.

**From the North**, do not turn into the Heavy Traffic Bypass, continue on down SH 2, (about 2 km) until you reach the Mauriceville sign and turn left into Kaipororo Rd, then right into Bluff Rangitumau Rd. (Hint – there is a turn off to Mauriceville just south of Eketahuna – do not take this route – it will get you here, but it will take a lot longer).

Phone us for directions if you wish our number is 06 372 5565
